

SPORTS BARS

High Definition Golf™ from Interactive Sports Technologies is the world's most amazing photo-realistic golf simulator. Advanced stereoscopic computer vision provides extremely accurate ball tracking and trajectory analysis. It is the only virtual golf system that looks absolutely real; like you are actually on the golf course. Play the world's finest golf courses, practice all types of shots with a wide selection of practice ranges, and compete in long drive and closest-to-pin contests. The system can also be used as a **super large (12' x 9')**, **HDTV compatible theater** system for watching sporting events, DVD's, movies or presentations.

High Definition Golf™ is the perfect choice for sports bars as it provides the following benefits and advantages:

- High resolution, photo-realistic championship golf courses – “Looks & plays like the real thing”
- Ideal for league play, long drive contests, closest to the pin, tournaments.
- Dual functionality – display sporting events, movies, etc. on the HDTV compatible projector and screen.
- Generates revenues – rent at \$30 or \$40/hr
- Upscale sports activity and entertainment enhances customer experience and loyalty
- Enhances food & beverage sales
- On-screen advertising to promote items such as events & contests (long drive contests, SuperBowl party, etc.), food & beverage specials.
- Opportunity for increased revenue from on-screen advertising
- Space efficient – exceptional entertainment value in a relatively small amount of space with no construction required; room can also be used for other functions
- Very easy to use
- High reliability and virtually maintenance-free
- Attractive financing plans available
